

SRI AUROBINDO COLLEGE  
LIBRARY

NOTICE

Dec.31, 2018.

This is to inform you that a Web OPAC module has been installed for searching of books for library users as part of promoting E-library usage among students and faculty, staff to locate for browsing information pertaining to availability of books and in circulation from their respective departmental computers.

Hence it is requested to kindly make an arrangement to install the Web OPAC icon online on your Departments' college computers (both server and clients) vide the LAN URL address 10.145.1.191:8080/webopac to ease the students and faculty, staff in searching and recommending the purchase of book (if any) through the module and remain alert with respect to books borrowed by them to ensure timely issue and return.
