## Vision:

---

*With my versatile experience in teaching, research, and social welfare activities, I am bestowed and well-versed with the capabilities to promote a learning environment for students which would not only be enriching academically but would also be integrated with the broader social environment, focused not only to prepare future leaders but focused also to prepare 'transformational leaders' who would significantly contribute to the welfare of the society. Having served the academics for almost 30 years including a term of 3 years as Principal (OSD), Sri Aurobindo College (Evening), University of Delhi, I have over 200 publications and have been invited as a delegate on numerous occasions. I have also been appointed by the University Grants Commission as a member of the Expert Committee constituted to discuss the issues about SAKSHAM Web Portal (for grievances related to women and sexual harassment) and its finalization and have also been nominated as a member of Subject Expert*

*Group, Management and Commerce by Consortium for Educational Communication (CEC) wherein my task is to review MOOC proposals and give expert recommendations for further proceedings. Furthermore, I have been certified as an Assessment Centre Analyst (HR Professional) by the Ministry of Micro, Small & Medium Enterprises (MSME), Technology Development Centre, Chennai, Govt. of India. Despite my affinity towards academic activities, I never discounted my role as a 'human' and have always endeavoured to return to society in as many ways as possible. For this reason, I've committed myself towards the upliftment of the underprivileged, especially children and women through my NGO- UNHAD for which I have been applauded by the commissioner of Police and have also received immense appreciation for Swachta Abhiyan activities by the Ministry of Culture. Member Education Committee PHD Chambers of Commerce, (Sub Committee Research and Innovation and Committee on the education of Sustainable Development Goals. I have been dignified by several awards and accolades for my contributions not only in the field of academics but also for contributing towards other broader societal issues.*
