DESH KE MENTOR

Desh Ke Mentor, is the nation's largest mentoring programme launched by the Delhi government under the guidance and honourable leadership of the Chief Minister. The programme aims at mentoring the students of class 10th to 12th of Delhi Government schools about diverse career options and to support them in their initial career planning stage. It further aims at developing their aptitude to handle personal and professional challenges.

Under this programme a mentor can be any individual under the age of 35, who is a student studying for a degree at an esteemed University, a young professional in a Corporate setup or an entrepreneur with their own business who will help the Mentees (students of class 10th -12th) in their career exploration journey and to make informed career choices.

NSS invites registrations from the undergraduate students (All streams) of Sri Aurobindo college(M) to volunteer and become an integral part of this mentoring programme and to help the school students to make best career choices. The programme will benefit the Undergraduate students in the form of 30 credit hours and also paving their way in contribution towards nation building.
